Dear Sir/ Madam

Re: Ravenscliffe@SpringHall

I am writing to offer our endorsement of the Post 16 community based education initiative:

Ravenscliffe@SpringHall

As a partner Special School of Ravenscliffe, The William Henry Smith School is fully aware of the lasting difference the proposed facility will make to the lives of young adults in the Calderdale area. There is currently a huge void in provision which this proposal will help to fill. As well as this letter of support, we have pledged active and practical on-going support of the project and we will be doing everything in our power to support Ravenscliffe in bringing it to fruition.

The William Henry Smith School is a Non-Maintained Special School in Brighouse, West Yorkshire. We educate and care for students with social and emotional difficulties between the ages of 8 – 16. We take students from Calderdale and finding appropriate local placements beyond the age of 16 has proved very difficult in the past. The project is designed, in part, to address this issue.

I earnestly hope that your organisation will be able to support the development of a much needed resource.

Yours faithfully
