Dear Martin

As an organisation that support young people and adults with learning/physical disabilities, we have worked closely with Ravenscliffe for several years and would like to offer our support for your SpringHall project.

I feel this will greatly benefit the community, and give more opportunities for people of all abilities to participate in various sporting activities.

I have seen the architects impression of Ravenscliffe@SpringHall and read the information about the 6th form college, I believe this is something that at the moment Calderdale is lacking.

Yours sincerely

C Cockcroft
