

9<sup>th</sup> December 2013

Martin Moorman  
Ravenscliffe High school and Sports College  
Skircoat Green  
Halifax

Dear Martin,

Many congratulations on getting the go ahead for the Ravenscliffe & Spring Hall project. As you know the committee and members of Halifax Harriers have been working for some time to try and improve the facilities at Spring Hall. We have a great track that we train on at least twice a week, but what we have always been lacking, is a permanent indoor facility for classroom training, storage and café facilities.

So, it comes as great news that you have been given the go ahead to build a facility that can be used for those same purposes.

The relationship between the Halifax Harriers and Ravenscliffe School has always been strong and friendly. This opportunity will allow us to further cement our working partnership and provide opportunity for both your students and our athletes to grow in sport, knowledge and friendship.

Here's to the future!

Kind Regards,

Mark Gaughan  
Halifax Harriers  
Club Chairman
