Sports Development  
The Shay Stadium  
Shaw Hill  
Halifax HX1 2YT

Dear Martin

Please accept this letter as support for your project Ravenscliffe at Spring Hall. Having met with you to go through the exciting plans I can only concur that the development will be an asset to the site and enhance what is already there.

From a Sports Development point of view having new and modern changing rooms along with a cafe / social area will transform the potential of the site and improve the experience of all users from schools to clubs to casual users. It will help attract new participants by addressing the currently barriers to participation with the old and not user friendly facilities. With a community use agreement supported by ourselves it will help increase participation at the site and ultimately the area's 1 x 30 minute sport participation rates.

Having worked with yourself and colleagues at Ravenscliffe I know that you will work tirelessly to make this work for the school and community and in partnership with ourselves, Halifax Harriers and the other community partners will endeavour to make this succeed.

Good luck and if you need any other support please so not hesitate to get in touch

Yours Sincerely

David Brook  
Business and Sport Development Manager
