

31/01/14

To whom it may concern,

We recently met with Martin Moorman the Head Teacher at Ravenscliffe High School. He informed us of the plans to build a 6th Form College at Spring Hall.

We currently operate an out of school club based at Spring Hall providing care for over 125 children every week.

We would like to offer our support in the future development of Ravenscliffe @ Spring Hall and look forward to working together in the future.

Yours Sincerely

Gail Broadbent
