

9<sup>th</sup> December 2013

Mr. Martin Moorman  
Ravenscliffe High School  
Halifax  
West Yorkshire  
HX3 0RZ

Dear Martin,

Congratulations on the long awaited approval of the Spring Hall Project that was confirmed this summer.

The Next Step Trust shares your anticipation in this development as we have enjoyed a longstanding and close relationship with Ravenscliffe High School and Sports College and have always taken a keen interest in its development.

As you are aware, the Friends of Ravenscliffe and the support of its staff was instrumental in the inception and initial development of The Next Step Trust as a high quality day service for the young people of Ravenscliffe to move on to. We continue to share the excellent resources you have.

Having said that, as a provider of services for young people with complex needs we are very aware of the need for space to enhance the experience of the individuals we support to ensure they get the maximum benefit of the resources on offer.

The Spring Hall project is exciting not only because it gives the students the space and access to greater resources for the continued development that they deserve but also because it would support the integration of young people with disabilities into the wider community. It would also allow organisations such as ours to access and share the community facilities that are due to develop. This would truly reflect the potential of Ravenscliffe High School as a sports college.

The development of the Spring Hall athletics track itself is encouraging as it benefits sports provision in Calderdale and therefore the potential of nurturing future Olympians!

We at The Next Step Trust fully support the Ravenscliffe at Spring Hall project and look forward to further partnerships in fulfilling the potential of young people.

Thank you

Best wishes

Preet Sandhu  
CEO
